

2-4 NOVEMBER, 2022

26th August, 2022

2nd Circular, SPSI-MACRO-2022: Science and Technology of Polymers and Advanced Materials through Innovation, Entrepreneurship and Industry

Dear Sir/Madam,

We are delighted to inform that CSIR-National Chemical Laboratory, IISER Pune and SPPU are jointly organizing SPSI-MACRO-2022 in association with SPSI and NCL-RF. **SPSI-MACRO-2022** is a premier flagship conference in India in the area of **Polymer Science and Technology** held once every two years organized by **The Society for Polymer Science**, India (SPSI, www.spsi.co.in). It is attended by 500-800 participants from academia and industry and has been very pivotal for the growth of research and applications of this area. The 16th conference in this series (**SPSI-MACRO-2022**) will be jointly hosted by CSIR- National Chemical laboratory (<https://www.ncl-india.org/> or <http://academic.ncl.res.in/>), Indian Institute of Science Education and Research, Pune (<http://www.iiserpune.ac.in/>), and SP Pune University from **November 2-4, 2022**. For more details about the conference, please visit the website (<https://spsi-macro-2022.org/>).

The meeting will have plenary lectures by internationally distinguished polymer scientists and several invited lectures covering a wide spectrum of *Polymer Science and Technology*. There will be poster sessions and exhibition by industry on various polymer related products and analytical equipment. Overall, these meetings have seen highly energetic young Indian students and scientists participating, increasing the visibility of Indian polymer science research contributions.

In this context, on behalf of the organizing committee of the conference, we have great pleasure in inviting you to attend the conference and share your knowledge during **SPSI-MACRO-2022**. We sincerely hope that you would accept our invitation and participate in the meeting. It is further requested to give wide publicity and circulate the details of the conference among your peers, colleagues, research scholars, and polymer community for their active participation.

Early Bird Registration Ends on 1st September 2022. Please visit the conference **[website for registration](https://spsi-macro-2022.org/)** and further details (<https://spsi-macro-2022.org/>). We look forward to welcome you at Pune.

Thanking you and with warm regards

Dr. S. K. Asha
Convener, SPSI-MACRO-2022

Dr. Samir H. Chikkali
Co-convener, SPSI-MACRO-2022

Convener
