

SPSI-MACRO-2018

The Society for Polymer Science, India (SPSI)

International Conference on Polymer Science and Technology

SPSI-MACRO-2018

"SPSI-Macro-2018" 19-22, December 2018

About SPSI-MACRO-2018 Conference

International conference on polymer science and technology ("SPSI-MACRO-2018") will be held from December 19-22, 2018 to promote the recent fundamental understanding and technological advancement in the area of polymer science and Technology. **SPSI-Macro conference** is the series of international conference that are held in India once in every two years by the Society for Polymer Science, India (SPSI, <http://www.spsi.co.in/>). The 15th conference in this series (SPSI-Macro-2018) will be jointly hosted by Indian Institute of Science Education and Research (IISER) Pune, CSIR-National Chemical laboratory (CSIR-NCL), and Savitribai Phule Pune University (*formerly*: University of Pune). SPSI-MACRO-2018 will be held in the city of Pune on several thematic topics of polymer science and technology and the conference will have about 12 plenary talks, 120 invited talks, 80 short talks and 450 posters presentation. The conference will host many distinguished academic personalities, industrial leaders and new entrepreneurs from across the globe as speakers and participants. SPSI-MACRO-2108 will provide a platform for many young researchers and students in India and abroad to learn the advancement in the field of polymer science and technology.

Organizers

IISER Pune is a research-intensive teaching institute. Our faculty and students investigate questions in science that lie beyond the boundaries of conventional thinking. The whole ambience is very academic with high energy levels to pursue top quality research. The IISER-Pune represents a unique initiative in India where teaching and education are totally integrated with state-of-the-art research nurturing both curiosity and creativity in an intellectually vibrant atmosphere of research. CSIR-National Chemical Laboratory (CSIR-NCL), Pune, established in 1950, is a constituent laboratory of Council of Scientific and Industrial Research (CSIR). CSIR-NCL is a science and knowledge based research, development and consulting organization. It is internationally known for its excellence in scientific research in chemistry and chemical engineering as well as for its outstanding track record of industrial research involving partnerships with industry from concept to commercialization. Savitribai Phule Pune University, one of the premier universities in India, is positioned in the North-western part of Pune city. It occupies an area of about 411 acres. It was established on 10th February, 1949 under the Poona University Act. The university houses 46 academic departments. It is popularly known as the 'Oxford of the East'. It has about 307 recognized research institutes and 612 affiliated colleges offering graduate and under-graduate courses. More... <http://www.unipune.ac.in/>

Important Dates

Registration & Abstract Submission: 1st June 2018
Last date for Abstract Submission: 15th August 2018
Acceptance of Abstract: 31st August 2018
Payment of Registration & Accommodation Fees: 1st September 2018
Last date for Registration & Accommodation Fees: 30th September 2018
Closing of Registration: 30th September 2018

Conference Chairs

Chair

Professor Manickam Jayakannan
Department of Chemistry
Indian Institute of Science Education
and Research (IISER), Pune
Dr. Homi Bhabha Road,
Pune, Maharashtra 411008, India,
Tel : 91-20-2590 8087

Co-chair

Dr. Prakash P. Wadgaonkar
Polymer Science and Engineering Division
CSIR-national Chemical Laboratory
Dr. Homi Bhabha Road,
Pune, Maharashtra 411008, India
Tel : 91-20-2590 2306
